## **Senior Access Program Application Packet**

May 2022

Alaska Community Development Corporation (Alaska CDC) is a private non-profit agency that has administered state- and federally-funded energy efficiency and housing programs in Alaska, since 1979. This application packet is for the Senior Access Program grant.

- General information about the program is attached, such as where we administer the program, the type of improvements available, and the *primary* eligibility guidelines. Other guidelines and restrictions may apply.
- Please answer all questions on the attached application even if you don't think they apply to your situation. This information helps us better understand the current condition of your home and accessibility improvement needs. In addition, the state funding source requires information from households in its program.
- Signatures are required on pp. 4 and 5.
- Submit all requested proofs described in the application.
- Submit your application to Alaska CDC. Alaska CDC currently accepts applications yearround. However, there always is a wait list, because most work is done during the construction season. Most households are waiting 2-3 years for assistance. The sooner you apply, the sooner you may be served.

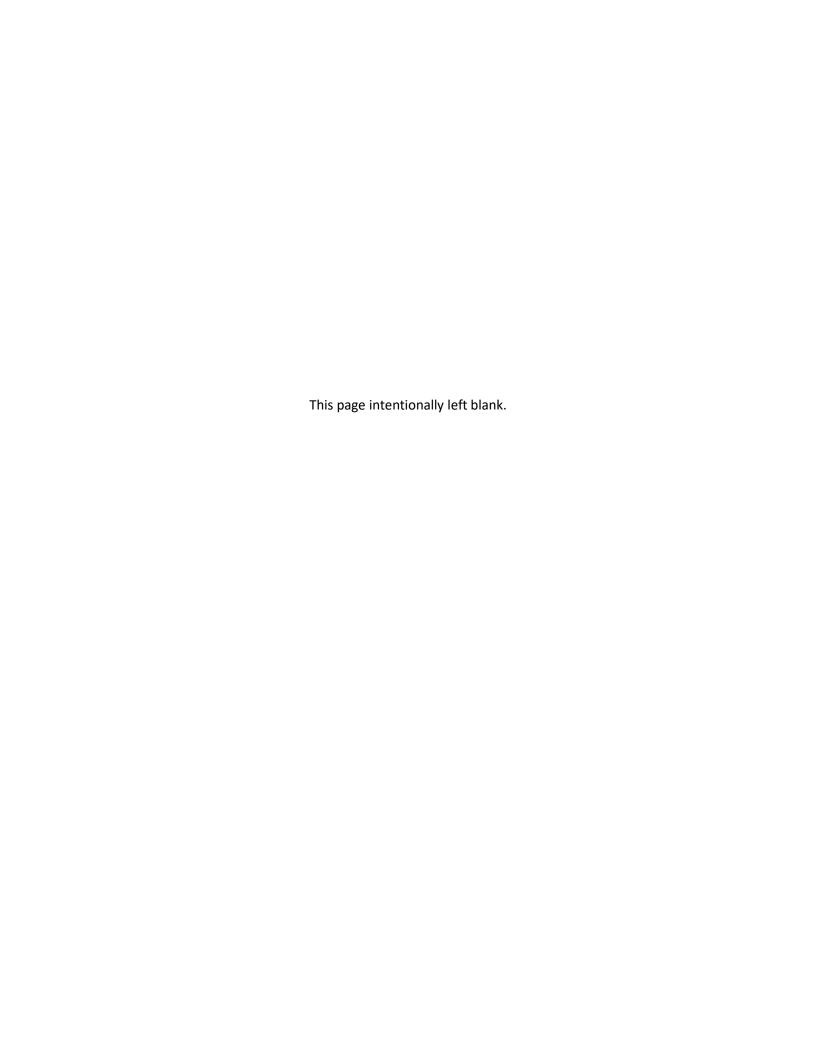

After we receive your application and proofs, we might need more information from you. However, submitting an application is the first step toward receiving assistance.

Application processing takes about 30 days. We will inform you of your status for the program by mail. Your patience is appreciated.

Application Packet Contents: This cover letter, Senior Access Program flier (2-sided), the Application (5 pp.); a Reasonable Accommodation Request form, and a postage-paid return envelope

If any part of this Application Packet is missing or to make sure you have the most current version, contact Alaska CDC at 907 746-5680 x 1 (Palmer), 800 478-8080 x 1, or www.alaskacdc.org.

Don't hesitate to ask for help completing the application. Our contact information appears below and on the first page of the application.

## SENIOR HOUSING ACCESSIBILITY MODIFICATION PROGRAM

"Senior Access" Funded by Alaska Housing Finance Corporation (AHFC)

We provide home rehabilitation grants without regard to race, color, religion, sex, national origin, handicap, or familial status.

- Alaska CDC serves the Kenai Peninsula, Kodiak Island, and Mat-Su Boroughs, Valdez-Cordova Census Area, Tok area, Fairbanks, and the Municipality of Anchorage. Grants are awarded on a <u>first-come, first-serve</u> basis <u>except when it is most cost-effective to blend funds from several sources</u> or for an emergency per Program guidelines.
- This grant improves the <u>accessibility</u> of homes so that <u>qualifying seniors</u> (55 years and older) <u>who</u> <u>experience disabilities</u> may live safely at home as long as possible. Home repairs are <u>not</u> eligible.
   Requested accessibility modifications must meet program guidelines (e.g., ramps, grab bars, barrier-free showers, lighting improvements, stair lifts, etc.).
- Eligible housing units are houses, cabins, condominiums, mobile homes, apartment dwellings, and <u>small</u> assisted living homes (<u>five or fewer beds and licensed as required by the State</u>).
   There cannot be a Notice of Default, Notice of Sale, or student loan lien filed against the property.
- The home to be modified must be the **current**, **principal residence of the qualifying senior** and the qualifying senior must agree to live in the home up to three years after the work is completed.
- Household income must meet current guidelines, as explained in this flier. Required proofs are
  explained in the application. (For assisted living homes, call Alaska CDC to determine how to
  calculate income.) The household also must show that it does not have funds of its own or from
  other sources to complete the modifications. Applicants cannot be behind on paying Child Support.
- This program is free to the senior and the legal owner(s) of the property. No more than the
  amount necessary to complete required accessibility improvements will be awarded. Maximum grant
  awards are:
  - \$15,000 if the qualifying senior is the legal owner of the property.
  - \$15,000 if the home is privately owned <u>and</u> the qualifying senior is related to the legal owner of the property <u>and</u> the legal owner of the property resides in the home.
  - \$10,000 if the qualifying senior rents the property.
  - \$7,000 if the qualifying senior resides in a state-licensed assisted living facility (five or fewer beds).
- If the home is a rental or an assisted living home, the legal owner(s) of the property must authorize any work to be completed under the program.
