Grants are awarded on a <u>first-come</u>, <u>first-served</u> basis <u>except when it is most cost-effective to blend funds from several sources or for an</u> <u>emergency per Program guidelines</u>.

 Requested accessibility modifications must meet program guidelines (e.g., ramps, grab bars, barrier-free showers, lighting improvements, stair lifts, etc.).
- Eligible housing units are houses, cabins, condominiums, mobile homes, apartment dwellings, and <u>small</u> assisted living homes (<u>five or fewer beds and licensed as required by the State</u>).

- Household income must meet current guidelines, as explained in this flier. Required proofs are
 explained in the application. (For assisted living homes, call Alaska CDC to determine how to
 calculate income.) The household also must show that it does not have funds of its own or from
 other sources to complete the modifications. Applicants cannot be behind on paying Child Support.
- This program is free to the senior and the legal owner(s) of the property. No more than the
 amount necessary to complete required accessibility improvements will be awarded. Maximum grant
 awards are:
 - \$15,000 if the qualifying senior is the legal owner of the property.
